By ERNIE MIGUEL

Liberal Arts placement—sponsored by the faculty, ignored by the students—is still a great possibility.

The following letter received proves that student body support from Dean Valentine further will lead toward its establishment:

April 26, 1939.

Mr. Ernie Miguel,

Editor, Golden Gater.

Dear Ernie:

In the Gater of April 25, in the "Lid Lifter" section, a letter signed "Plinius" called attention to the need of a student employment office on the campus.

There have been several references to this need in the Gater, and it seems that some statement of the actual situation would be timely. I wish to assure the student body that the administration of the college is entirely in sympathy with the proposal that we expand our employment facilities to cover all types of employment. There is every reason for feeling confident that an extended plan will be instituted just as soon as a way is found to provide for it and maintain it effectually. There are many obstacles and difficulties which students are unaware of, but these will probably be overcome.

I am writing this letter because I want the students who are interested in the problem to know that the administration is far from indifferent to it.

Sincerely yours,

P. F. VALENTINE,
Dean of the College.

The faculty still continues to raise the prestige of San Francisco State. . . . Latest instructor to gain his laurels is Roger Preston, assistant in Physical Sciences, who passed his preliminary examinations for his Ph.D. last Wednesday at the University of California. . . . He will now devote his time to preparation of his thesis and research studies.

Latest announcement of a tea is that of the Delta Phi Upsilon, honorary kindergarten group. Miss Freda Deterling of the West Portal School will speak on some "helpful hints" on teaching, including "some things to say about a flower that has been crushed beyond hope in a little one's grimy hands," according to Miss Lorna Olsen, president of the group. . . . That is a question that has been bothering us for years, Miss Olsen. Just what does one say about a flower crushed beyond hope in a little one's grimy hands? It must be blasphemous!

Annual Birthday Party Followed By Attendance To Inaugural Ball

By HAROLD MARTIN

Why did the Assembly Ways and Means Committee approve the \$300,000 bill to purchase a new site for the college and refuse to sanction the other bill authorizing sale of the present site? That will be one of the "behind the scenes" points discussed by Senator John Shelley at the thirty-eighth birthday party of the Alumni Association tomorrow evening at the Women's City Club.

This event will start at 6:30 and will be followed by the annual Inaugural Ball at Fairmont Hotel. The dance is scheduled to start at 9 o'clock and will last until 12.

SUCCESSFUL YEAR

The Alumni Party will climax the most successful year in the history of the association. The organization has sponsored several events for the benefit of graduates and the college. This activity has resulted in a large increase in membership.

Several bay area county superintendents of schools will be guests of the alumni, as well as state executives and city officials. The association has received many flattering replies, among them was the following: "Officially, we feel very close to San Francisco State because many of our good teachers are indebted to State for their good training. Personally, my friendly associations with the institutions are such that my opportunity to be with you is more than an official representation." Signed: Byran O. Wilson, Contra Costa County Superintendent.

NOTED GUESTS

The theme for the evening will be "Education's Companions for Progress." Besides Shelley, Dr. J. A. Burkman, assistant state director of education; Mayor Angelo

Newly Elected Officers Inducted Saturday Night At Inaugural Ball; Kidd's Orchestra, Low Price Among Features Expected To Draw Record Crowd

By CONNIE FIELD

Dig out the soup and fish, dust off the girl friend, phenagle the family Ford, beg or borrow six-bits, and we'll see you at the Inaugural Ball tomorrow night at the Fairmont.

In an attempt to attract as many of the students as possible, the executive board voted to subsidize the dance by paying half the price of each bid.

THE OLD—THE NEW

Holding down the featured spot on the evening's program will be the official inauguration of the newly elected student body officers. Cliff Worth, present president, will take over the platform for the initiation. Doug Kidd will then resume his duties as maestro and direct his musicians through special orchestrations of the popular dance melodies.

A "no corsages!" rule will be enforced in order to further popularize the dance. If the lady of your choice is wearing your flowers, she will be asked to leave them at the check-room.

Kline, Ouelette Slated For Run-off Today Because Of Split Vote For Treasurer; Unopposed Peggy Smith Gets Vote of Confidence For Vice Presidency

By RED LEWIS

Bob Sweeney, Junior Class President, was elected President of the Associated Students Wednesday, as he defeated Ed Smith in the annual campus elections.

Peggy Smith, running unopposed, was elected Vice-President, while Dena Witte surprised with a victory over Bee Cleary in the race for Secretary.

RUN-OFF FRIDAY

Fred Kline and Vern Ouelette both failed to mass a majority vote, but eliminated Ed Poole from the race for Treasurer. A run-off will be held Friday.

According to well informed sources, the closest battle of the election was between Alex Edelstein and Wade Brummal for Director of Publications, with Edelstein the victor. It is rumored that the margin of victory was two votes.

The office of Head Yell Leader was won by Bill Abbey, as he defeated Jim Fitzgerald.

RASTAD-VALLARINO WIN

Thelma Rastad and Louise Vallarino annexed a majority of votes between them to defeat Lucille Murphy for the Women's Representative posts.

Men's Representatives for '39-'40 will be Jack Fisher and Ken Johnson. Ernie Miguel, Gater Editor, was the defeated candidate.

Sweeney, the new prexy, is working toward a Bachelor of Science degree and has an extensive extra-curricular record. He was active in bringing pressure to bear upon several legislators in the recent lobby for a new campus. In addition to this, he helped promote the recent Sadie Hawkins

NEW BUILDINGS IN OFFING IS LATEST REPORT

Senate Bill 261 Given Unanimous Approval; 347 In Rehearing Tuesday

By EDWIN POOLE

State's new buildings are in the offing next week with the Assembly Ways and Means Committee's approval on one of the bills. Senate Bill 261 was given the unanimous approval by this committee at a meeting in Sacramento Tuesday night. The measure calls for an appropriation of \$300,000 for the purchase of a new campus at Ingleside.

Because of a lack of attendance at the hearing and one negative vote, Senate Bill 347 was set for a rehearing next Tuesday evening by Chairman Ben Rosenthal (D) of Los Angeles.

Senator Shelley of San Francisco started the meeting by telling of Governor Young's ten-year building program, the present over-crowding, condemnation of

College Hall, lack of space for expansion, the fact that S. B. 261 provides for 60 acres of land at a reasonable price and the civic interests behind the program.

Dr. Alexander Roberts, State President, next told the committee about the unified building program, the fact that we have \$700,000 allocated on the budget, WPA application approved with 59 per cent total costs, \$6,000 a year is spent for rented space and the college is overcrowded.

Fred Links of the Department of Finance then said that the state did not have the money to fulfill the ten-year building program, there is money available for the present site, and the WPA would put 1,000 men to work immediately at Ingleside.

Edward O'Day (D) from San

Francisco made a motion that 261 go out with a "do pass" recommendation. The roll call was unanimous in favor of the bill.

Shelley next introduced Senate Bill 347, which was supported with an excellent talk by Mel Cronin of San Francisco, but met with opposition by Ray Williamson, 28th District Assemblyman, and Dan Gallagher, 23rd District.

Gallagher said the desire to move was selfish because some assemblymen wanted the college in their own back yard instead of where it now is. (It is now in Gallagher's district.)

Richie spoke in favor of the bill and said that the Haight Street Merchants should be disregarded and moved to bring the bill out "do pass." In the roll call, Me-

han of the East Bay cast a negative vote and the measure failed to receive the necessary eleven ayes to bring it out of committee. Action on 347 was deferred until next Tuesday.

Both bills will be brought to the floor of the Assembly as soon as possible. Governor Olson has already sent a letter to the clerk of the Assembly authorizing both bills as emergencies and allowing them to be considered before the budget. A two-thirds vote will be required for their passage.

Cliff Worth, student body president, who spoke for the bills at the hearing said, "Several members of the committee who are our friends were unable to attend this meeting because of other duties. They will be at the meeting next Tuesday, and our bill will probably be approved."

WE WANT JOBS!**. . . For Liberal Arts Grads**

The old cry of "We have no cooperation!" heard so often from student body officials, is being sounded anew by Dr. Roy Cave, sponsor of the Liberal Arts Placement Service.

More than a year of work has been put into the formation of the Bureau by Dr. Cave, yet the actual beginning of service has been indefinitely delayed by action of the Deans' Committee. Action by the Liberal Arts students themselves is the only barrier to final approval of the plan.

An efficient and valuable placement bureau for the graduating teachers has given valuable service to graduates, providing prospective employers with records and recommendations, arranging interviews with superintendents, and placing hundreds of teachers in professional positions.

With more than one-fourth of the student body enrolled in the Liberal Arts Department and not eligible for the Teachers' Placement Bureau, some arrangement for jobs after graduation and part-time work during undergraduate years must be made.

The Liberal Arts Department of the college has been ignored for too long—teachers refuse to recognize the fact that many of the students will not become teachers; most of the courses given in all departments are for future teachers; and above all, they are not provided with placement service of any sort!

Now a start has been made—Dr. Cave has the machinery planned—the President of the College favors it—all that is now necessary is a concentrated student body support.

The faculty has done its part—the rest is up to you. **LET THE FACULTY KNOW WE WANT LIBERAL ARTS PLACEMENT SERVICE!**

TIDE NET TEAM CLOSSES SEASON AGAINST DONS

Last chance for the State tennis team to regain lost laurels presents itself this afternoon when they take on the University of San Francisco in the last match of the season for the Tide.

The local netmen are out of the running for the N. C. I. T. A. flag, as San Jose is far out in front without a defeat on its record. However, a double victory over the traditional rivals on the hill would give some consolation. The Dons were on the short end of a 5-4 score in the match several weeks ago.

To date the Purple and Gold racquetters show three wins on the credit side of the ledger, with four matches going to the opponents. St. Mary's succumbed before the onslaughts of the Gaters twice, while the latter suffered the same fate at the hands of San Jose State, champions for the past three years. Santa Clara is making a strong bid for honors this season.

State's lineup in today's tilt is, as usual, unsettled; "lab" periods, work, and other factors make a stable personnel impossible. Jack Witt tackles Tom Clecak in the first singles, although Witt is suffering from a strained back received in the first San Jose match.

The remainder of the lineup will probably show the following men in order: Ed Kohlhauf, Norbert Prins, Doug Cray, Ken Kim, Bill Hammond, Willard Lincoln, Glen Minuth, and Vic Lewin.

State meets USF on the Palace of Fine Arts courts this afternoon at 2 o'clock.

FENCERS PLAN INTERCOLLEGIATE SCHEDULE SOON

State's fencing team is almost ready to take the field in intercollegiate competition, was the announcement today of Len Duckworth, student coach.

Having had daily workouts for the past month and a half, the swordsmen have mastered most of the fundamentals of "foil technique," and are ready for bouts scheduled with the California and Stanford freshmen and the local junior colleges.

Present indications are that the starting line-up will be: Len Duckworth, Walt Daugherty, John Tilden, Erwin Bischoff, Chapman Burke, and Roy Dison. Coach Duckworth, however, emphasized the fact that all positions were still open to anyone who could defeat the men now holding them.

Dan Farmer, advisory coach of the team, has promised the fencers circle letters should they win in inter-collegiate competition. In addition, members of the six-man team will get sweatshirts and auxiliary equipment.

STATE NINE ON EDGE FOR AGGIES TILT

Carl Haas Slated To Hurl Initial Game At Davis; Double-Header Tomorrow

Finishing the season, State's baseball nine journeys to Davis, Calif., to meet Cal Aggies in a double-header Saturday.

Carl Haas is scheduled to start the first game on the mound. Haas downed the Tigers on their visit here in a heated 7-5 fracas. George Mailho, State hurler, pitches the second game.

COACH DOUBTFUL

Reluctant to predict the outcome, Coach Hal Harden expressed the hope that the Tide win one of the two.

Coach Harden will rely on Don McRitchie, rightfield; Red Weekes, catcher, and Bob Moore to add power at the plate. Cal Aggies, harder to beat on their own diamond, boasts of a fine pitching staff.

BATTING AVERAGES

Following is a list of the players with their batting averages computed after the Santa Barbara trip:

Runar Stone, pitcher, .750; Don McRitchie, right field, .328; Red Weekes, catcher, .325; Bob Moore, first base, .321; Carl Haas, pitcher, .315; Jack Fischer, shortstop, .307; Dick Osborne, center field, .302; Spider Turner, second base, .294; Dick Coshaw, third base, .288; Walter Lagomarsino, left field, .275; George Mailho, pitcher, .212; Frank Grannucci, second base, .111.

Intramural

By JOHN PICHOTTO

After a slow start the first day, the intramural volleyball race is fast becoming the favorite noon-hour activity.

Last Tuesday the Droops and Gentlemen failed to appear in full force giving the Cadavers and Botany Bombers their first win by default.

FRATERNITY WINS

Two official games went on the records the next day, however, as Phi Epsilon Muswamped the Fightin' Fools, 31-17, and the Playground Directors copped a 30-2 win from the Question Marks.

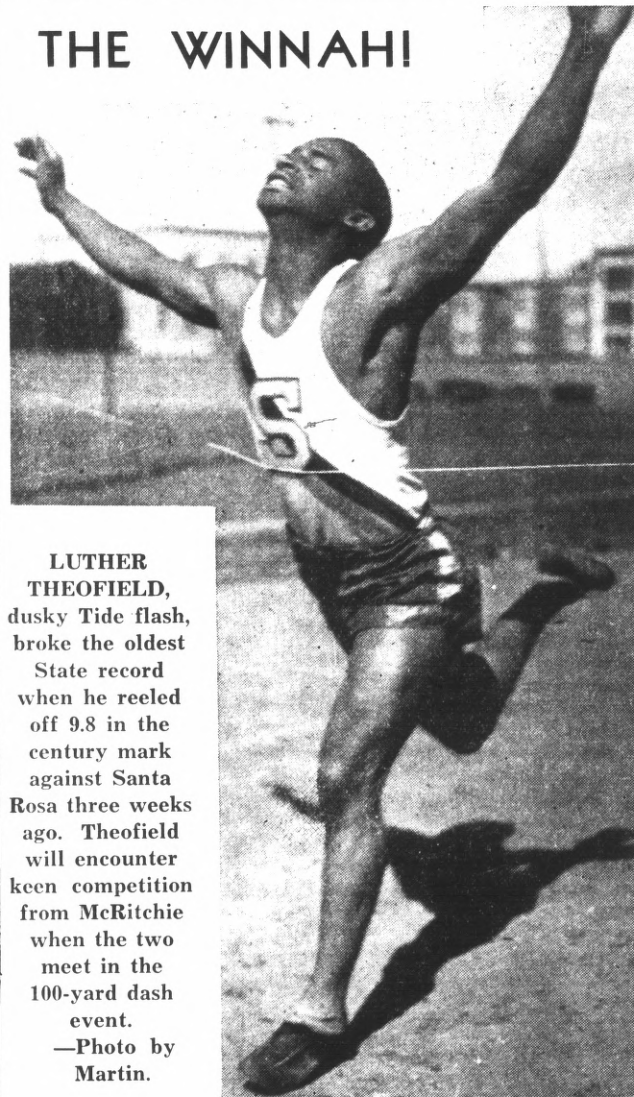

FIGHTIN' FOOLS

Phi Epsilon Mu found stiff competition in the Fightin' Fools who were led by Managers Saul Simon and Stan Lefcourt.

Today finds the Characters, led by George Otis and Henry Paris, tangling with the Whizzes, managed by Hardy. The other game will bring together the Buzzards and the 184's.

Rules for volleyball may be obtained by managers from the Intramural Manager or Director of Intramural Athletics Dan Farmer.

THE WINNAHI!

LUTHER THEOFIELD, dusky Tide flash, broke the oldest State record when he reeled off 9.8 in the century mark against Santa Rosa three weeks ago. Theofield will encounter keen competition from McRitchie when the two meet in the 100-yard dash event.

Jayvees Score Over Indians

Prep Tracksters Capture Eight First Places—Lose

Climaxing the season's track and field events, State's junior varsity trackmen defeated Jefferson Union High spikesters 61 to 51 on the local cinderpath last Tuesday.

Leo Coulson shows promising talent in the mile run, covering the distance in 4:53 to cut a full minute off his time from his first start of the season.

Although two lads from Jefferson captured four first places, the baby Tide managed to collect enough placing points to win. Harrison and Ghidella, both Indian cinder burners, ran away with the 100, 220, shot put and discus.

100 yd. Dash: Harrison (JU); Gustafson (S); Schmidt (S). 10.3. 220 yd. Dash: Harrison (JU); Vdovin (S); Davis (S). 23.8. 440 yd. Dash: Lefcourt (S); Dykman (J); Doyle (J). 55.0.

Grid Squad Holds Initial Scrimmage

Coach Dick Boyle sees his next term's varsity in actual combat for the first time when the initial scrimmage of the practice session is held this afternoon, at 4 o'clock on Roberts Field.

A large group of backfield men have been out showing their wares during the last couple of weeks, but Coach Boyle wouldn't be displeased if a dozen or so more line-men should turn out. In fact, two or three 200 pound tackles and a couple of six foot ends would make him quite happy.

Up till today practice has consisted of conditioning and learning the new system, but from here in its going to be all contact work. A couple of regulation games between two picked squads are scheduled to act as a finale to the spring training.

Badminton Finalists Vie For Perpetual Trophy

A hectic mixed doubles badminton tourney is drawing to a close with the teams of Ru Stone-Dorothy Roth and Bob Bragg-Josephine Biggi as the final contenders for the perpetual trophy that has been donated by the W.A.A.

The new cup, on display in the gym, is a permanent trophy with the winners names to be inscribed on it. Both Bragg and Stone have competed in the badminton finals previously; Bragg capturing the title last Spring.

The usual noon recreation games will be cancelled for the finals day, Tuesday, May 9.

Tide Clashes With Tigers In Trackfest

State Cindermen Favored Over College of Pacific In Final Meet of Season

Making their last curtain bow of the 1939 track and field season, State's victorious harriers collide with the College of Pacific Bengal Tigers tomorrow morning in Kezar Stadium at ten-thirty.

NECK TO NECK

Once again Luther Theofield will have to run his heart out when he collides with McRitchie, sensational sprint flash, who has covered the century in 9.8 seconds, and the furlong in 21.7 seconds. Last week against the junior college Theofield had his first bad day of the year when he lost to the speedy McGuire. However, he will be a slight favorite to take McRitchie.

The Bengals also boast a forty-five foot shot-putter who is capable of taking all State can offer. However, in the last meet, he failed to shove the ball over the forty-two foot mark, thus giving the Gaters a chance, and Soc Pantages is expecting a super heave any day now.

George Otis pulls his iron man stunt once again tomorrow when he will compete in the hurdles, pole vault, high jump, and shot-put.

BETTER TIME EXPECTED

Dick Schwab will attempt to knock off several tenths of a second, or perhaps even several seconds in the 880 yard run. He will be closely followed by Wally Young, who will force Schwab all the way, and may perhaps beat him as he did before.

In concluding the Tide must be made favorites, despite the havoc it creates with the team's morale. The Bengals have been trounced by both Chico State and the California Aggies, both teams badly beaten by the Tide.

A hot hurdle race is due between Schultz, Butler, and Otis. The former two have been improving rapidly, and Otis will really have to travel to cop the nod. Shepard should snag the lows.

The sport page bids adieu to the 1939 edition of the track and field team.

PING PONG TOURNNEY IN FINAL ROUNDS

Frank Gunner and Gordon Wilcox fight it out at noon today in the gym in the remaining semi-final match of the intramural ping pong tournament.

The winner of this match will meet Fred Bender, who has already gained the finals. The championship game will be played sometime next week.

TEE HEE!

GOLFERS TAKE REST

State's golf team takes a rest this week-end in preparation for a schedule of matches to be played during the last three weeks of school. Stanford looms as the most dangerous opponent, but the date of the match with the Indians has not been agreed upon.

Although the new moon will add to the attractiveness of the dance—or at least make for greater enjoyment after the dance; the committee makes no claim to having anything to do with its promised presence. Vieing with the weather man's moon will be the soft lights of the Terrace Plunge Ballroom.

Vice-President Audrey Stewart concludes her term in office as hostess for the college with this reception of the new executives; and she's leaving a high mark to shoot at for Peggy Smith, who will be inaugurated at the dance. The other officers-elect are Bob Sweeney, president; the winner between Fred Kline and Vern Ouelette, treasurer; Dena Witte, secretary; Bill Abbey, yell leader; Thelma Rastad and Louise Vallarino, women's representatives; and Ken Johnson and Jack Fischer, men's representatives.

Alex Edelstein will take over Jim Martin's spot as Director of Publications.

All this—the music of Doug Kidd—the ballroom of the Terrace Plunge—the new moon of the weatherman—the absence of the corsage of anybody—the ceremonials of Cliff Worth—the happy faces of the victorious—all this is yours tomorrow night at the Inaugural Ball for the small stipend of 75 cents.

So—dig out your soup and fish—dust off your girl friend—phenagie your family Ford—beg or borrow but don't steal six-bits—and we'll see you at the Inaugural Ball tomorrow night.

A LID-LIFTER

With the cyclical period for European War rapidly reaching the zenith in its maddening rise and the United States definitely committed by its chief executive to send its young men into purgatory (see Washington Post editorial April 11, approved by President Roosevelt) the time has arrived for realistic action by the aforementioned young men.

With the foregoing thoughts in mind and in reply to Ed Pierce's remark in re prospective overcrowding of the bastilles, the writer has taken steps to form an organization to be known as, "Hoefflich's Conscientious Objectors," the purposes of which include: more and better jails, hot and cold running water in each cell, maid service and all radios off by 10 p. m.

Our slogan: "We will have peace even if we don't have to fight for it." Suggestions for a theme song will be cheerfully received and considered.

AFTER BEATS

By SHERMAN GRANT

Deep from the hearts of the (slap-) happy folk down thar in Annex B, comes this simple, poignant tale of Joe Cleff. Joe is a composite person; he typifies the average busy music major. He's a screwball, he loves freedom, he hates war, he hangs Hitler's picture in the most necessary room of his house, and he's good to his mother. At times Joe becomes so involved in the strenuous tasks of keeping college-sponsored extracurricular musical activities going, that he gets a funny gleam in his eye. Deep wrinkles make themselves evident on his magnificent brow; he walks around in a daze. He cuts his friends and greets his enemies. He passes by his secret love without even looking at her. He even drinks the Co-op's thwarted coffee. In short, Joe has gone crazy. But Joe will not flinch or cry aloud. He knew what he was doing when he started all this activity, and crazy or not, he loves every single worry of it. Joe is the soul of the Music Department. He is the noise, the screwiness, and the tradition. Joe is very happy.

On Tuesday, May 2, the A Capella Choir will celebrate their fifth anniversary, but what an anniversary! At seven o'clock in the morning, the gang, together with the Choral Strings, will embark for towns way up north, Concord and Pittsburg, to be accurate. After a morning of delighting high school audiences in those municipalities, the groups will revel, cavort, and proceed to celebrate all afternoon, climaxing the mardi gras spirit with a banquet.

Alpha Omega Constitution Passes Executive Board

Alpha Omega, newly accepted girls' organization, will hold its first social outing of the semester when members will travel to the country for a picnic Sunday, April 29.

The girls will leave the city at nine o'clock in autos and return at about eight o'clock.

At the executive board meeting Monday, April 24, the constitution was passed unanimously, with the excellent work done by the organization in the Co-op cleanup campaign being the decisive factor.

President Jean Van Arsdale, when questioned by a Gater reporter said, "I am sure the Alpha Omega girls appreciate the action of the executive board and will do everything in their power to live up to our constitution. We hope to be a real service organization."
